

COMPANY DANCE PROGRAM

At PROD•l•GY our focus is on the well-being and well-rounded training of our students. Our goal as a company is not only to teach our students dance skills, but also to teach them lifelong skills such as confidence, discipline, and character. Not only are our dancers exposed to excellent training on a daily basis by our own award winning director and instructors, but they are exposed to renowned Master Teachers and choreographers from around the United States. Our company members have an opportunity to travel nationwide to experience different styles of dance. We are proud to be the home of many national award winning dancers. 2015-2016 General auditions were held over the summer.
